

Congratulations Class of 2024

Message from President

Hello everyone, we hope you are all enjoying the warm weather.

We are proud to update a few things in this quarter: 1) 100% of our Class of 2023 Mentees have graduated from CANership. We are very excited to see them go off to their respective colleges and universities and we look forward to all the amazing things that they will accomplish. 2) We were able to host four great events throughout this quarter and we hope to set up more events for the future so look forward to those. A big thank you to everyone at CAN and everyone that attends these events for making this all possible.

The board would like to thank our sponsors for their generous support:
BHRAGS Home Care,
BaoBao Cafe, Smoove
Ice Cream & Kulu
Desserts.

Events this Quarter

Summer Workshops

CAN International partnered up with My Friends' Place NY (MFPNY) and U3A to host two events in July: a Career Advice session and a College Panel at the Liberty View Brooklyn Hotel in Sunset Park, Brooklyn. We were delighted to have several families attend the events together. Of special note was the enthusiastic participation of high school freshmen and sophomores in the audience. Stay tuned for our upcoming essay workshop this fall.

Thank you to the panelists and everyone who attended the Career Advice event. The panelists were able to tell their life experiences and give advice. We hope that everyone was able to take at least one piece of information from the event to heart and accelerate their own careers or even to choose their own career path.

Career Advice

Our College Panel event brought together current college students, recent graduates, and young professionals to share invaluable insights and tips for a successful college journey. The panel represented 15 colleges and universities from around the US and Canada. We are delighted to have had students from all five boroughs attend this event, and we hope that students and parents now have the tools they need to make informed decisions in the future.

College Panel

**A BIG thank you to our sponsors
for making this all possible**

College Search Workshop at JDHS

Our John Dewey High School (JDHS) College Search Workshop was successful as we were able to have productive and engaging conversations with the school's teachers about our CANership program and how it can benefit the bilingual students at John Dewey High School. As former students of John Dewey High School, it felt very nostalgic to be back in the evolving environment. This was our first time back in the building after the 2019 pandemic and we were able to have great conversations with the attending students. We are committed to stay connected with our roots and try our best to be a positive influence on the immigrant student community. Thank you, John Dewey High School, for being there for the students and for us, the alumni.
